THE DARK SIDE OF THE JUNGLE

Descend into Selva, a hidden world where the jungle grows darker and the energy intensifies. Tucked beneath Amazónico and alive from midnight until dawn, this seductive space pulses with deep beats and untamed spirit. A provocative blend of spectacle and sound, Selva invites you to lose yourself in the rhythm as resident and international guest DJs ignite the night, with exclusive tables offering prestige Champagne, luxury bottle service and handcrafted cocktails.

Features

- Dedicated bar
- DJ booth
- Premium bottle service

Capacity

Standing: 250 guests

LINEUP

Our curated lineup of resident and international DJs, joined by live percussionists, sets the tone for nights of pure escapism. Selva has played host to world-renowned names such as Hugel, Themba, The Gospël Tribe, Grossomoddo, Deron and more. Each performance is a masterclass in seduction and sound. Bold, provocative and designed to captivate, Selva's music offering transforms every night into an unforgettable journey through rhythm and movement.
